Q. What about voter guides?

A. Voter guides are rare for Midterm Elections. Below is a merged list of picks for several but not all non-partisan races in HC and MC based on input from trusted sources and advisors in both counties including <https://www.texaspatriotspac.com/>, <https://www.mcteparty.org/voter-guide>, and <https://truetexasproject.com/>. Do your own research before proceeding to the polls. **Disclaimer:** The opinions expressed here are based on our own research and do not reflect the views of any FV CIT sponsor.

Q. How do I download my personal ballot?

A. Visit your County Election Administration office website:

- **HC:** <https://www.harrisvotes.com/> (Click *Sample Ballot* and add personal information)
- **MC:** <https://elections.mctx.org/> (Click *Your Voter Registration Status* and add personal information)

Print your personal ballot and review it carefully. Most of the races are R vs D (Freedom vs Tyranny) candidates and the choice should be easy. Scroll to the bottom of your ballot to check for any non-partisan (no political party label) races such as School District Trustee and Propositions that often result in a tax increase.

Q. What about voting locations during early voting and on election day?

A. Visit your County Election Administration office website listed above. The locations may vary from election to election, and it is recommended you check before heading to the polls.

Q. How can I help between now and election day on November 3, 2026?

A. Contact your county party headquarters or individual campaign coordinators. There are paid opportunities for election judge or clerk positions. There are volunteer opportunities for parking lot greeters and block walkers to handout voter guides.

Q. How to Stay Informed?

A. Visit the Faith Votes table in the lobby, sign up for the **Faith Votes newsletter:** bit.ly/3Krb1L3 or use the adjacent QR code and attend monthly meetings.

Sincerely, **Joe & Cathie Locetta, FV CIT Co-Leaders**
